Dear Super Fans,

I Love school this 1980-81 school year. My many friends make this year the ultimate; therefore, I have kept a picture album of "Mis Amigos," all the critters, in a book I have named EL RIO.

Sandy Janas on Cheyenne Horse, Ian Heller with Sherwood Dog, Tammy Grauberger, Steve Lehnerz, Alan Lehnerz, Rita Peckumn with Smudge Cat.

Here's a critter picture I chose for the first page. As you can see I have some very varied and exciting friends. To make sure you don't miss seeing "Mis Amigos," turn the page and go for it.

Love and Kisses for

PUR-R-FECT FRIENDS

As I prowl about the campus, poking my nose into the busy offices, I find all the many activities, mind boggling to this Tigre. But, mis amigos really know their business, making all performances just purr along. They're gr-r-eat! The future of education in my school is in the hands of winners. That's one reason why I love being Del Norte Schools' mascot.

When our new Superintendent, Dr. James Beck, came, the Tigers really got a winner. Dr. Beck came from Summit County to lead the Del Norte Schools. He was the superintendent their for a decade. Dr. Beck and his wife, Shirley, have five children, two live in Utah, one is at Western State, and the other two go to school with us at Del Norte. Dr. Beck has a bachelor's and a master's degree from Eastern Illinois University. In 1963 he received his doctorate from Denver University. He has taught a few classes of Research, Statistics, and Philosophy.

FUN RELIEVES HARD WORK

Fun combined with hard work fills Middle School students' time. A trip to the hills taught wilderness survival skills; one class took a bus to the Sand Dunes to study the flora and fauna. Mrs. VanIwarden's choir gave a concert of Spanish folk songs, recorded by Ruth Marie Colville. All songs were sung in Spanish with Mrs. Martinez and Mr. Chavez helping in the pronounciation of the words. Afterwards, the choir was rewarded for their successful concert with a trip to Taos, New Mexico. More fun, mixed with hard work, includes intra-murals in boys' and girls' basketball; flag-football for sixth grade boys; spirit week celebrations before a big game. Teachers also make learning fun and funny. For example, Mrs. Harrison assigned her classes a theme to write on "How to make a Peanut Butter Sandwich." The next day she made a sandwich based on student theme directions. She even had to spread the gooey stuff with her fingers as no one wrote to use a knife. The most fun of all was to have the new Middle School library open with lots of new books and with a very helpful librarian. Someday we'll look back and say. "We worked hard in Middle School, but we surely did have lots of fun. We had it made."

The campfires have been burning bright as this council pow wows. Student Council Officers attended the Rocky Mountain Leadership Institute in Vail, July 6-10. Later, the Head Boy and other council members attended a workship in Colorado Springs. This stimulating training has enlivened the entire council, resulting in some exciting new activities. For example, the members put red apples in each teacher's mailbox for the first day of school and assigned secret pals for each teacher; they have sponsored the homecoming activities, cake raffles, Tigermania booth for basketball, and a Christmas formal dance. Also, their concern for the school has involved them in such projects as helping to rewrite the dress code, attending school board and accountability committee meetings, and working for the involvement of all students. This student council and Sponsor Mr. Hoffman, deserve an A+ in outstanding leadership. During the year they have made student-exchange trips; sponsored a fun Halloween party and gave prizes for costumes, elected the teacher-of-the-month awards; raised money from dances to help in a school improvement project. The Council took time off from their busy schedule to visit a meeting of the High School Council. The M.S. Council is to be commended for their activities and school pride.

FBLA: WORKS THEIR WAY TO THE TOP

Future Business Leaders of America Club stresses aptitude and ability in all the fields of business. Students strive to become efficient in typing, shorthand, accounting, leadership, and public speaking. In competition with other schools in these fields, our students have always returned with awards. This year they participated in the Fall Leadership Conference at Sargent High School, the District Conference Competition at Adams State College and the State competition in Colorado Springs. To help pay expenses for these conferences, they prepared and sold football programs and held a bake sale with FHA on play nights. 1) Officers: Standing: C. Wiescamp, Sec.; M. Hamlett, Parl.; D. DEL NORTE YOUTH GROUP ENRICHES LIVES

5

The Del Norte Christian Youth Group consists of students interested in conversing about a moral approach to living in today's world. Today with so many problems facing youth — such as, drugs, inflation, unrest in the Middle East, selective service registration, higher education expenses, hostages — it is comforting to have an opportunity to meet once a week and discuss moral attitudes. The Youth Group each year sponsors Christian oriented films which many people enjoy. 1) I. Heller, J. Tucker, E. Davies, T. Frank, J. Chavez, and Sponsor, Shirley Kernen. 2) Bill Janas and Ian Heller discuss a point of interpretation. 3) President Theresa Frank and Sponsor Frank Turja are prepared to start the meeting. 4) Johnny Chavez, Theresa Frank and Joe Tucker use the Concordance to locate desired information in the Bible. 5) Obviously enjoying the discussions, Bill Janas gives the photographer a big smile.

FHA HAS BECOME A CO-ED CLUB

Early in the school year F.H.A. had a "Rush Week". Returning members, Christy Goers, Barbara Archuleta, and Andrea Wakefield worked very hard to encourage people to join. The result - 16 members! And four of those are men! For the first time in Del Norte's F.H.A. history, men have decided to become a part of F.H.A. All members of Future Homemakers of America now consider the club's main purpose to further prepare a person for living by himself or for a more understanding marriage. This was a very busy year for the club. Some of the activities included a District Convention at Alamosa, a fashion show in December, a community cook book, a canned food drive for Christmas baskets, a bake sale after the plays in November, a dinner after the Jr. - Sr. play, and a banquet at the end of school. This altruistic club has many amigos as a result of their thoughtfulness.

SPANISH CLUB ADOPTS A A NEW NAME

With an all girl membership this year, the Spanish Club changed its name to "Las Unidas," which means united. During National Hispanic Heritage Week, the girls showed films for students. Also two Hispanic display cases were decorated with pieces of art from Mexico. During Homecoming, "Las Unidas" entered a float in the parade, beautifully decorated as La Senorita. Money-making projects have included selling candy and concessions during the volleyball season. Other plans include forming a Spanish dance group, serving a dinner, and sponsoring speakers and films. "Who Shot J.R.?"

J.R. Ewing, the villainous character of T.V.'s popular "Dallas", set the theme for our 1980 Homecoming "Who Shot JR?" This year's Homecoming was a big success with a parade, Tiger Rag, a Powder Puff football game for the girls, and Spirit Week. The Winning floats in the Homecoming parade were the Class of 1981's, first place for the fourth consecutive year; Sophomores in second place, and Freshmen third place. Tiger Rag had a variety of talented acts with first place taken by Marlene Lujan and Jackie Martinez who wrote and sang "Who Shot JR?". Second place went to the 3 Dimensions, Joe, Lisa, and Chris Dominguez. In third place was the Dating Game with Ian Heller, Joe Dominguez, Robbie Hickman, Russell Jones, and Bernie Velasquez. 1. Those Tigers at Middle School are very active amigos; you should see them between classes racing up and down stairs to get to class on time. Maybe all this activity is what makes them such good athletes, marchers in the band, and able to survive not eating for a long time on the choir trip to Taos. Also that long run up the hill to hot lunch is bound to build stamina. Mis Amigos really enjoyed going to school second semester after the new mini classes were started. Here are the names of a few of the exciting courses; Conversational Spanish, Cooking and Nutrition, Drama, Board Games Strategy, Finger Math, Guitar. I loved the ones I audited. After all these fun mini courses, I enjoyed the Valentine Dance even if my tail got stepped on a few times. It's a gr-r-reat life.

M.S. TIGERS MADE IT HAPPEN

The basketball teams in the middle school this year have shown great talent at an early age. They have practiced resolutely through the season and the outcome of their games has shown how hard both teams have worked. They are very supportive and helpful with each other and that's what counts when a team wants to be successful. L. Velasquez had the leading score for the heavy weights with an average of 10 points a game. In the light weights C. Trujillo also had an average of 10 points a game. The 8th graders with an average of four points a game were C. Berry and D. Kivisto. With the 7th grade, P. Newton had an average of 11 points a game. (1) BOYS' MANAGERS: Standing: K. Lyons, and A. M.S. TRACK SPRINTS ONWARD

2

The track teams in the Middle School this year have worked hard to reach a goal that has been set by each member. This goal is to perform at the highest point of their ability and showing that they are truly dedicated tothe school they are representing. They are striving for the top. Their coaches, Bernice Harrison and Gary Frickell, are hard to beat. (1) Tracksters getting in shape for the season. (2) GIRLS COACH: Bernice Harrison. (3) GIRLS TEAM: Standing: N. Leonard, R. 1 ***The Middle School Cheerleaders went through a very good learning experience. When the year began any girl could be a cheerleader as long as she could pay for the uniform and spend her spare time practicing. As the year went on, the girls found that a squad a big as theirs was unwieldy and lacking in strong leadership. Many of the girls quit because they felt that little was being accomplished. After they narrowed the squad down to a reasonable number of girls they began to work harder and show quite a bit more enthusiasm. The girls are highly spirited and very proud of what they do. The 1980-81 Football season was a building year for the Tigers. There are many underclassmen on the team, who showed excellence this season. Steve Hicks moved to Del Norte this year and was named to Second Team Defense as a linebacker. Andrew Archuleta, a sophomore, was also named to the Second Team Defense as a lineman. Gerald Martinez, a junior, was named to the position of defensive back on the First Team. Ben Stuever was selected to be on the First Team Offense, as a lineman. Junior Drew Teinert was elected Most Valuable Player of the San Luis Valley and First Team receiver. Mabelies Sisneros was the only senior named to the First Team Defense as a lineman. To make it possible for these people to be successful in their positions it took total cooperation from everybody on the team. We will have about thirty returning players for next year.

Del Norte Tigers were fortunate this year to get a new sports program---Wrestling. For fifteen years this program has been omitted from our sport schedule, but we started afresh with an outstanding new coach, Ben Montoya; brand new mats; and a brand new problem — where to practice. With so many girls' and boys' sports programs, the grapplers started practice in the multi-purpose lunch room but soon the Colorado Department of Health made them move to the gym. A whole new schedule for using the gym was devised and the wrestlers were fast learning the head lock. the fireman's carry, the single A takedown, the flip, and the art of pinning. All the wrestlers did well at the matches even though their opponents were experience veterans.

Working hard and standing proud is a good description of the High-School Cheerleaders. Both squads have shown very positive enthusiasm during the 1980-81 season. During the summer, the Varsity cheerleaders went to a cheerleading clinic held in Boulder, Colorado. At the clinic, the cheerleaders learned many new cheers and chants. They also brought home several enjoyable ideas that were used at Pep-assemblies for entertainment. They learned a dance routine and taught it to the Junior Varsity squad. The routine was then performed at the Homecoming Tiger Rag to the beat of "Stomp". They also held a carwash in July, 1980. The money, that was raised, was used to help for the expenses for summer camp. All in all, the girls kept things going strong and kept the spirit high.

The freshmen won my heart right at the beginning of school when I found them lost in the halls and locked out of their lockers. But mis Amigos quickly learned all the "ins" and "outs" of high school life. They really got initiated fast the day they whitewashed the "D" on Mt. Lookout. My Symbol could be seen for miles. Sponsors Miss Fey and Mrs. Mitchell helped them with their float which won third place in the parade. My friends Claudia Trujillo and Michelle Medina helped arouse school spirit as freshmen cheerleaders. In football Steve Miller and Marvin Martinez were freshmen stars on the varsity team. On the wrestling mat, Alan Lehnerz and Steve Miller hold their own and Marvin Martinez is a real hustler on the basketball court. Sonja Kroschel and Lisa Dominguez show promise as future basketball winners. This class has dared to be great and it worked. Tu amigo Tobias Tigre

Mis Amigos, the Sophomores, started out their second year in high school with sponsors Mrs. Young and Mr. Murphy. No longer being underclassmen, my friends made the beginning of being great upperclassmen. In the Homecoming Parade, they won second place with their float titled. "J.R. Was a Cowboy, and Look ok What Happened to Him," English II classes learned all about the library; and among the stacks and in the magazine section, many found all kinds of at tractions. Even though Del Norte has not had a wrestling program for fifteen years. Johnny Sisneros placed in his first tournament. Delano Velasquez wrestled so hard he received a fractured nose. Todd Rue had a mishap too when he broke his wrist during football practice. They try harder, in numbers, the Sophomore girls dominated both volleyball and basketball teams. They're Gr-r-r-eat! THE DEATH AND LIFE OF LARRY BENSON

The Del Norte drama students presented the very dramatic play, "The Death and Life of Larry Benson." The play was about Danny Holms who adopted the identity of his close war buddy, Larry Benson, when Larry was killed in action. Danny, really believing he was Larry, returned to Larry's home, where each member of the family reacts differently to this stranger. The students portrayed their emotional parts extremely well. The audience was deeply moved. PLAY CAST: Christy Goers-Jessy Benson; Regina Robertson-Susan; Rose Jaramillo-Mary Ellen; Debbie Miller-Freida Benson; Theresa Frank-Grace Wilkey; Carol Velaszuez-Mrs. Potter; Steve Skaff-Walter Potter; Quintin Willis-Sam Benson; Jackie Martinez-Mrs. Fitch; Marlene Lujan-Nettie Clark; Joe Dominguez, Khembar Yund-Melvin Clark; Ian Heller, Mike Skaff-The Boy; Bill Janas-Bud Merkel. Student Director, Joe Tucker. Faculty Sponsors-Mrs. Sittler, Mr. Murphy. Special Assistance-Mrs. McRae, Miss Hill. The success of "The Death and Life of Larry Benson" depended a great deal on a smooth-working stage crew. Fortunately Dennis Blea and his crew never fouled up once. They spent many hours setting up the stage and synchronizing all the sound effects. All the props were ready, on time, and in the right place. These were the things that made "The Death and Life of Larry Benson" a big success. STAGE CREW: Dennis Blea, Kelvin Yund, Steve Skaff, Jim Swartz. The make-up committee worked as professionally as any Broadway crew. They managed to make faces depict age and character authentically. Thus all the actors appeared realistic to the audience. MAKE-UP CREW: Una Martinez, Janet Atencio, Sharon Abeyta, Karla Tyree, Kala Tyree, Connie Bates, Lorraine Montoya. 1. SPONSORS: Mr. Jackson, Mrs. Sittler, Mrs. McRae, Mrs. Yund, Mr. Murphy

NO OPERA AT THE OP'RY HOUSE TONIGHT

The 1981 Junior-Senior Play was a melodrama complete with a Hero, Heroine, Villain, and Villainess. With a hard working stage crew to keep things running smoothly behind the scenes and a talented cast, the performances were a great success. The members of the cast were: Connie Bates, Julie Mataiya - Betty Bright; Bill Janas - Billy Bright; Quintin Willis - Big Gulch; Robbie Hickman - Claude Hopper; Karla Tyree, Christy Goers - Melba Pumpernickel; Mike Skaff - Baron Wolfgang Von Wolfpack; Melissa Reason, Debbie Miller - Lily Loverspot; Lisa Benson, Marlene Lujan - Madame Violetta Salami; Donna Preas, Rita Peckumn - Cindy Lou; Gerald Martinez - Cap'n Alkali; Mabelles Sisneros - Indian; Melanie Otts, Tammy Grauberger - Woman in Shawl. Stage Crew: Dennis Blea, Kelvin Yund, Jim Swartz, Joe Dominguez, Steve Skaff, Kevin Off, Khembar Yund. Between the scenes of the play several other talented students put on olios, pantomimes, and skits to make the 1981 junior-senior play a very exciting event.

TIGERS DEVELOP ARTISTIC TALENTS

If you someday hear a loud whine coming from Mr. Wallace's Industrial Arts room, it really is not the students' crying; it is the sound of electric saws cutting through hard wood. Other excruciating sounds might be from drill bits, hammers, rasp of files on metal. Everybody is busy making something useful and decorative. In their wake they leave the strong odor of freshly sawed wood, This class may be taken by both boys and girls, but boys seem to have a special love for drafting, building, and constructing.

Mrs. Kernen! Homemaking classes are the classes most students like to take. It could be because of the good aromas that come from there; and students know that if they were in there, they would get to eat delicious cooking instead of just smelling it. Eating is not all you do in Homemaking. There's sewing and just not for girls; boys sew too. Everyone really gets excited to start sewing for his wardrobe, but it can get frustrating, when a garment does not look like you want it to look. Homemaking is the challenge of creating things for personal satisfaction.

Mr. Turja's art classes appeal to the students who have a sensitivity to the beautiful. In his classroom, the student has many opportunities to develop and express his artistic talents. With paints, string, scratch board, decoupage, charcoal, inks, the aesthetic person gives expression to his creative impulses. Also Mr. Turja's classes are fun because they are not organized rigidly. Students feel free to study each other's projects and discuss their value. Our work is done some times with music in the background. This is a pleasant place and time while we enjoy our work.

Scott
Enjoyed having
you in class. Keep
up the hard work.

TIGERS SING ON KEY

The Middle School choir sang loud and clear in their first concert of the year, which consisted of all Spanish Folk songs sung in Spanish. The M.S. choir received a trip to Taos, New Mexico, for doing a fine job on their Spanish concert. This trip had many exciting moments, one of the many was when the buses took a wrong turn and the choir had to sing one of their songs before they ate lunch in Chamayo, N.M. The Middle School director Nona Vanlwarden has been teaching at Del Norte for four years but this was her first all Spanish concert. The concert was a real success. The all-girl High School choir under the direction of Dennis Murphy performed four times during the year and did an excellent job. 1. Nona Vanlwarden. 2. M.S. BANDS: BACKBONE OF SCHOOL SPIRIT

The Sixth, Seventh, and Eighth Grade Bands have had a busy year entertaining the public. The audiences have enjoyed three major concerts - Christmas, Spring and the End of School year - at which all three bands performed. Along with being concert performers, the talented musicians also were members of the marching bands. All three bands proudly and rhythmically stepped out at Adams State's Homecoming in Alamosa and Tigers' Homecoming Parade in Del Norte. For two years now the Middle School has had a Stage Band for anyone interested. This year the Stage Band is a part of the Mini courses. Anyone visiting the Middle School would think he had just stepped onto the set of "Seventy-Six Trombones."

The Juniors and their sponsors Mrs. Yund, Mr. Montoya, Miss Hill, and Mr. Hicklin worked for prom by selling concessions and tote bags. This year we were all excited about getting our class rings. Academically, Mis Amigos were under pressure to make good scores on PSAT, SAT, and ACT tests. All the events, work, thoughts, and remembrances made this a special year for my junior class friends and me.

When Mis Amigos, the Seniors, ended one phase of their lives and began another on May 18, 1981, I felt very sad because the ending of something good is a sad time. I saw quite a few wet eyes among those Seniors looking so handsome and pretty in their caps and gowns. Many of us started out together in grade school and we have all become very close through classes, proms, teachers, tests, and games. I console myself that Mis Amigos are beginning a new life, a chance to be on their own for the first time. I wish them the best of lives.
